Dear Friend,

Our meetings are held on the first Monday of each month in the Walled Lake Fire Station Hall at 7:00 PM. Everyone is welcome. Please join us when you can.

This organization receives limited financial support from the City of Walled Lake, Oakland County, and the State of Michigan. Through your membership contribution, the Friends are able to actively seek funding and encourage other community-minded people like you to join with us. In addition, grants are more likely to be awarded when the community shows support for such a worthwhile project.

The Friends are dedicated to restoring the Banks-Dolbeer-Bradley-Foster Farmhouse. The group's goal is to preserve and maintain this 180 year old structure due to its national, state, and local historical significance by providing a creative reuse for educational and cultural enrichment for everyone to enjoy. The Friends are actively pursuing both funds and volunteers to restore the house.

We encourage you to tell your family and friends. This project is for them, too. For more updates, visit our website and plan to join us as we move forward.

Sincerely yours,
Friends of the Banks Dolbeer Historic Home
