Members of the public participating in during the Audience Participation period via ZOOM will wait in a virtual queue until called upon during the audience participation period. Because of limitations on un-muting and re-muting members of the public, audience participation *will be at the end of the meeting* (unless there is a public hearing item, in which case the following procedures will apply to that portion of the meeting as well).

When audience participation is permitted, members of the public will be called one at a time, as would happen during an in-person meeting. The meeting moderator will determine the order of public speakers. If you want to speak, you must use the "Raise Hand" feature for the meeting monitor to know you need to be unmuted. When you are unmuted, you will have three (3) minutes to share your comments to the public body. At the conclusion of your comments or your three (3) minutes, you will be re-muted and then removed from the queue.

Participants may also choose to submit comments that can be read into the record. Comments can be submitted via an email to clerk@walledlake.com. Comments shall be done prior to 12:00 p.m. on the day of the meeting.

Procedures by which persons may contact members of the public body prior to a meeting.

The City of Walled Lake government e-mail addresses of the members of all public bodies utilizing this means of meeting are available on the City's website at:

Procedures for participation by persons with disabilities.
