It was felt tents should be required to be weighted down and they would like to see port-a-johns near Liberty and Walled Lake Drive.

Commission Hecht felt we should help the Walled Lake Civic Fund with donations to help offset the costs of the fireworks. He felt that maybe the beer tent proceeds should go to fund the fireworks. Councilmember Lublin stated that the beer tent is sponsored by the Rotary Club.

Councilmember Robertson stated that it is the Civic Funds plan to turn the event over the City in the very near future. The City of Novi does not contribute to the event in any way. A plan need to be worked on for how we are going to take over this event.
