

Veterans' Memorial Park

HISTORY

Dedicated on Memorial Day 1999, Veteran's Memorial Park is the most recent addition to Walled Lake's park system. The main feature of Veterans' Memorial Park is the monument. Erected in 1990, the monument is the creation of former Walled Lake resident Frank Horencamp. The park is dedicated to the memory of the many men and women that put themselves in harm's way, especially those that sacrificed the ultimate - our nation's defenders - our veterans.

Nationally, the year 2000 marked the 50th anniversary of the Korean War (1950-1953). To commemorate this anniversary the United States Congress and Department of Defense created the Korean War Commemorative Community Program. Walled Lake was one of the first communities to apply for and receive this significant designation. Now, a new flag waves alongside "Old Glory". The 50th Anniversary of the Korean War Commemorative Flag's poignant message serves as a constant reminder that "**FREEDOM IS NOT FREE.**"
