Program

City of Walled Lake Michigan

Inside|Out Program

The City of Walled Lake is pleased to announce its participation in the Detroit Institute of Arts' 2026 Inside|Out program.

This program has been bringing reproductions from the DIA's collection to outdoor spaces in Oakland, Wayne, and Macomb counties for 17 years.

Through this program, the DIA invites residents to discover art in new ways, fostering a deeper connection between the museum and its community in the Tri-County area.

The City of Walled Lake will have six pieces of art on display throughout the community.

The goal of the program is to inspire people to visit the museum to experience the original works—and the full breadth of the collection—in person.
