 * Plans must be submitted, if required, before issuance of permit.
 Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act. No. 299 of the Public Acts of 1980, as amended and shall bear that architect's or engineer's signature and seal, except:

- One and two family dwellings less than 3,500 square feet.
- Alterations and repair work determined by the electrical official to be of a minor nature.
- When an electrical system rating does not exceed 400 amps.
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00.

5. Applicant Signature

Section 23a of the State Construction Code Act of 1972, PA 230, MCL 125.1523A prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential structure. Violators of Section 23a are subject to civil fines.

Signature of Licensee or Homeowner (<u>Homeowner's signature indicates compliance with Section 6 Homeowner Affidavit</u>)	Date
---	------

6. Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State Electrical Code and **shall not be enclosed, covered up or put into operation** until it has been **inspected** and **approved** by the electrical inspector. I will cooperate with the electrical inspector and assume the responsibility to arrange for necessary inspections.

EXPIRATION OF A PERMIT: A permit remains valid as long as work is progressing and inspection are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after commencing the work. **A PERMIT WILL BE CANCELLED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELLED PERMITS CANNOT BE REFUNDED OR REINSTATED.** Initial: _____
