- 2. Request for Closed Session to Discuss Labor Negotiations pursuant to Section 8(c) of the Open Meetings Act (OMA)**

City Manager Whitt explained there is a ratified agreement and closed session is not necessary. City Manager Whitt explained his negotiating team consisted of HR Resource Administrator Miranda Gross, Confidential Assistant Hana Jaquays, and leading the team Police Chief Shkinas. City Manager Whitt requested reports from each.

HR Administrator Gross explained a copy of the agreement is within the packet. Ms. Gross explained the prior agreement was for three years, while agreement is for four years. Ms. Gross explained the agreement was ratified June 8th with the Police Officers Association (POAM) of the Walled Lake Police Department. Ms. Gross explained changes included language clean up and wage increases.

Confidential Assistant Jaquays thanked HR Resource Administrator Gross and Police Chief Shakinas for the education of her first negotiations.

Police Chief Shakinas explained he has been on both sides of the table in his time with the City. Police Chief Shakinas explained that City Manager Whitt was very clear that management was going to run the operation. Police Chief Shakinas explained they did get a hold of that. Police Chief Shakinas explained the police officers came to the table with a small list of demands including slight wage increases, to catch them up with the competing rates. Police Chief Shakinas explained the teams negotiated fairly and honestly and the City Manager's negotiating team did a phenomenal job.

City Manager Whitt thanked HR Administrator Ms. Gross, Confidential Assistant Ms. Jaquays, and Police Chief Shakinas. City Manager Whitt explained the ratifying resolution is later on the agenda.

*Council Member Fernandes joined meeting 7:41 p.m. via zoom.

3. Report on City Events

a. Memorial Day Parade

Ms. Gross explained Ms. Marielle Lue was this year's grand marshal and did a great job. Ms. Gross thanked Council Member Woods, the city's Parks and Recreation Commission, DPW Superintendent Dan Ladd and his crew for all the clean up and help they did, also thanking Ms. Jaquays and Ms. Stuart for their assistance of the parade. Ms. Gross said the parade was a huge success with tons of parade audience members and participants.

b. Summer Festival

Ms. Jaquays explained the city has held their summer festival in partnership with the Walled Lake Civic Fund. Ms. Jaquays explained the DDA will be supporting the businesses with the event, there will be a host of food trucks, a bounce castle, and music. Ms. Jaquays explained, in response to the current construction at the beach, the event will be a bit smaller. There will be road closures due to the event, however the beach will be open June 25th to the public. Ms. Jaquays thanked DPW Superintendent Ladd and staff in getting the beach ready for the event.

Police Chief Shakinas explained security is priority; traffic control getting people in and out. Police Chief Shakinas explained there will be twenty-two police officers with all hands-on deck.

Fire Chief Coomer explained his department has been doing plans reviews on the firework display. Fire Chief Coomer explained, in addition to plan reviews, several site visits to verify loading zone and firework materials are also conducted. Fire Chief Coomer explained when the barge is prepped it is also inspected. Fire Chief Coomer explained fire personnel and EMS will be available for the event.

4. Report on Projects

a. Decker Road Rehabilitation

City Manager Whitt explained Decker Road is done and the barrels have been removed this should give relief on Leon Road. City Manager Whitt explained there will still be diversions due to the Great Lakes Water Authority (GLWA) project along 14 Mile Road. City Manager Whitt explained now that Decker Road is open, there seems to be speeders which is being addressed.

b. Mercer Beach Improvements Phase I and II

DPW Superintendent Ladd explained Phase I started and is almost done, parking is also done. Mr. Ladd said Phase II is getting ready to begin.

Ms. Jaquays explained that Mercer Beach started early March with the removal of a storm pipe that was in the center of the beach. This project has been made possible by SEMCOG grant and a Michigan DNR grant. Ms. Jaquays explained the Phase I is wrapping up and the team is reviewing Phase II timeline.

DPW Superintendent Ladd explained the infrastructure of storm water management was the goal of phase I with removal of the undersized pipe that was inadequate for the volume of water that comes through that pipe. Mr. Ladd explained this pipe was probably placed prior to the beach being established. Mr. Ladd explained part of the project was to place a storm sceptor which had a cost of \$100,000. Mr. Ladd opined this will be a great asset to clean the beach and surrounding area.

City Manager Whitt explained the DPW has been cleaning up many areas that are not part of the city to get the downtown ready for the Summer Festival June 25th. City Manager Whitt explained there was signage, dozens of signs; beach closed due to construction and unfortunately many, many people walked right through the construction area including children and were on the beach. City Manager Whitt said many people ignored the rules and that is the challenge the police department faces. City Manager Whitt explained fixing downtown is a priority.

c. Pontiac Trail Resurfacing

Ms. Jaquays explained the resurfacing of Pontiac Trail is part of the Tri-Party project with a cost of \$700,000 with the city's contributing match of \$108,000.

DPW Superintendent Ladd explained the Pontiac Trail storm drains have been rehabilitated. Mr. Ladd explained the start date could be July; nothing has been confirmed.

City Manager Whitt explained to our knowledge, the bid for the Pontiac Trail resurfacing project has not been awarded. City Manager Whitt explained this is consistent with the improvements to downtown. City Manager Whitt explained the repaving of E. Walled Lake Drive from Pontiac Trail to 14 Mile is a project the city has been looking to do and recently applied for a grant. City Manager Whitt explained Acting DDA Chairman Millen and DDA Managing Director Jaquays signed a resolution supporting this work at their last meeting.

Ms. Jaquays stated Assistant City Manager Schrader has submitted the application timely.

Assistant City Manager Schrader explained this grant is perfect for Walled Lake at this time and requires partnerships. Mr. Schrader explained other projects in this area include the resurfacing of Pontiac Trail. Mr. Schrader explained the grant is a 50 % match to \$325,000. This includes the fees equaling \$285,00 for milling and paving, \$10,000 for striping, and then a \$30,000 contingency because of uncertainty with pavement pricing. Mr. Schrader explained this project, if approved, will take place the following year. Mr. Schrader explained both the DDA and city will be required to fund the 50% match.

City Manager Whitt said DDA explained the DDA fund balance will end at \$280,000 and there was \$50,000 budgeted to build back the DDA fund so for next year the balance will be \$330,000. City Manager Whitt explained this is all taxpayer funds but splitting it up between the city and DDA is a good partnership. City Manager Whitt E. Walled Lake Drive is not only a business area but also a community area.

d. Riley Park – Playground Equipment Installation

City Manager Whitt explained the DDA and this council have saved up for these projects. The prior play structure was old and weathered. City Manager Whitt said DPW Superintendent Ladd and his crew are working on replacing the benches as well.

Ms. Gross provided a PowerPoint to council showing the aged equipment and the installation of the new equipment. Ms. Gross explained the new material for ground cover under and surrounding the structure and new benches that were placed.

City Manager Whitt explained we are moving forward with traffic control measures throughout the city and asked Police Chief Shakinias to brief the council.

Police Chief Shakinias explained new electronic radar signs will be placed on the local roads. Police Chief Shakinias explained they were purchased from All Traffic Solutions out of Pennsylvania, and they are all American made. Police Chief Shakinias said the department does see a difference when traffic signs are placed. Police Chief Shakinias explained these signs were purchased with drug forfeiture funds at a cost of \$5,000.

Mayor Pro Tem Lublin clarified the funding for the new sign came from the forfeiture fund and asked for clarification of the speed limit for Decker now that construction is done.

Police Chief Shakinas stated Decker Road is 35 MPH.

City Manager Whitt explained there was a recent incident that made its rounds on social media, someone being struck by a vehicle. City Manager Whitt said the business itself was not involved but it occurred in the parking lot of the business. City Manager Whitt explained alcohol may have been involved and that the individual is in the hospital in critical condition. City Manager Whitt explained the city's police and fire department responded appropriately and therefore these departments are needed.

ATTORNEY'S REPORT

1. Proposed Resolution 2022-22 Approving Lot Split and Conveyance Regarding 850 Ladd, Building E

City Attorney Vanerian explained the proposed lot split and combination, as indicated in memo is a split and conveyance of city owned property and would require an affirmative vote of five members of council to approve. City Attorney Vanerian explained the applicant, Turning Point owns the parcel to the north, and they share a common lot line with the city's parcel. City Attorney Vanerian explained that Turning Point is proposing a split from only a portion of the parcel, as this portion of their parking lot encroaches on the city parcel. City Attorney Vanerian explained there are two unresolved issues; first what should the consideration consist of; second what should be imposed if council chose to move forward with the request. City Attorney Vanerian explained he recommends council grant permissions to allow he and City Manager Whitt to engage in negotiations with Turning Point and then present to council.

Mayor Ackley explained she would be in favor of City Manager Whitt and City Attorney Vanerian to negotiate and come back to council.

Council Member Woods asked what history of entire property for the city is. City Manager Whitt explained to his knowledge of the 12 years he has been with the city is that this area is a swamp. City Manager Whitt explained no one can take the property upon adverse taking. City Manager Whitt explained documents may exist to see what happened but to know why these decisions were made may not be obtainable.

City Attorney Vanerian explained it was part of the Maple Road Extension project. City Attorney Vanerian explained, at that time, the city paid \$200,000 and it was acquired for use as right of way (R.O.W.) and wetland mitigation. Besides that, there is not a whole lot of information available.

Mayor Ackley asked if it is a wetland how does that affect the city decision.

City Attorney Vanerian explained the city has no restrictions to convey this piece of property and the city has broad discretion and we may want to take a closer look at it for storm water issues to be addressed.

CM 06-04-22 MOTION FOR CITY MANAGER AND CITY ATTORNEY TO NEGOTIATE WITH APPLICANT AND BRING BACK TO COUNCIL

Motion by Lublin, seconded by Owsinek, UNANIMOUSLY CARRIED: To have City Manager and City Attorney negotiate with applicant and bring back to council.

Discussion

Council Member Woods asked if the request is for a portion or entire parcel.

City Attorney Vanerian explained it is for just a portion; the negotiated items will be brought back before council for decision.

COUNCIL COMMENTS

Council Member Ambrose said the city has been working on the Walled Lake Summer Festival with the cooperation of the Walled Lake Civic Fund for fireworks who have been working all winter to raise funds for this. The Walled Lake Farmer's Market is tomorrow and going great. Council Member Ambrose said it is an amazing an amazing time to be in Walled Lake.

Council Member Woods said he agreed, and the city staff does a great job, outstanding for grant submittals and paying attention to the \$1.7 million dollars with \$360,000 supplemented by city for repaving of E. Walled Lake Drive.

Council Member Fernandes also said thank you. Council Member Fernandes said the summer concerts are starting tomorrow on the 22nd. Council Member Ambrose thanked all the people serving on the boards and commission and appreciates all the work these people do.

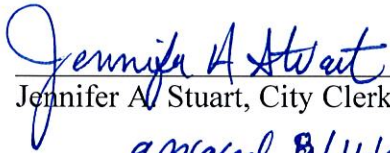

Mayor Pro Tem Lublin said the completion of Decker Road was ahead of schedule, the beach is looking good, and the monies from the grants is good.

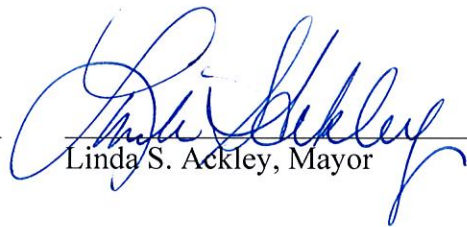

MAYOR'S REPORT

Mayor Ackley said people can see what can be done when you plan. Walled Lake is in great shape.
