The Walled Lake Police Department has determined that Mercer Beach located at 310 E. Walled Lake Drive is consistently overcrowded and unable to operate without violating Governor Whitmer's Executive Order 2020-151. This order continues the state of emergency declaration and social distancing measures in the State of Michigan.

The Police Chief has determined that a closure is necessary to reduce the transmission of COVID-19 to protect Walled Lake's public health. Pursuant to State Law and Walled Lake Code of Ordinances in its efforts to prevent or control the transmission of the COVID-19 pandemic. I hereby order the following until further notice:

1. Order Police Officers to close the beach with the necessary barricades.
2. Remove any violators by first issuing a warning. If they fail to comply Police Officers are authorized to remove/arrest violators under Chapter 50 section 50-33 of the Walled Lake Code of Ordinances.
3. Post signage (Beach Closed by Police Order) at entrance of the beach to notify to the members of the public.
