MIRANDA GROSS
DEPUTY CITY CLERK

May 11, 2020

Re: 2020 Summer Concert Series Cancellation Official Statement

In these unprecedented times, to support the community and protect the region, the decision has been made to cancel the 2020 summer concert series.

Our first priority when making decisions is the safety and health of our entire community, visitors, first responders, volunteers, and staff. We did not make this decision lightly. We considered the time and effort that goes into planning these events, as well as the impact on the economy in our area. However, with the uncertainty of the times, we are not fully confident that it will be safe to gather and celebrate our summer concerts.

“It is a great displeasure to see city administration cancel the 2020 concert series, but prioritizing the health and safety of our patrons, first responders, volunteers and the community is the right thing to do,” said Mayor Linda Ackley. The City Council and city administration appreciate the support of the local community leaders with this difficult decision. We know this is the right decision for our community.

With this decision made, we can continue to focus our energy to assist the community in its time of need and we urge everyone to do the same. We thank you for your support and patience with us during this difficult time.

Respectfully,

Miranda Gross, MiPMC I
Deputy City Clerk
