4. Plan Review Required

See below for plan review requirements before completing this section. Plans and specifications must be submitted for one and two family dwellings when the input rating of the building heating/cooling system exceeds 375,000 Btu's.

What is the building square footage? _____
What is the input rating of the heating system in this building? _____

Have plans been submitted Yes No Not Required

***Plans must be submitted, if required, before issuance of permit.**

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act. No. 299 of the Public Acts of 1980, as amended and shall bear that architect's or engineer's signature and seal, except:

1. One and two family dwellings when the total building heating/cooling system input rating is 375,000 Btu's or less.
2. Alterations and repair work determined by the plumbing official to be of a minor nature.
3. Assembly, Business, Mercantile, and Storage buildings with required plumbing fixture count of less than 12.
4. Work completed by a governmental subdivision or state agency costing less than \$15,000.00

5. Applicant Signature

Section 23a of the State Construction Code Act of 1972, PA 230, MCL 125.1523A prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential structure. Violators of Section 23a are subject to civil fines.

Signature of Licensee or Homeowner (Homeowner's signature indicates compliance with Section 6 Homeowner Affidavit)	Date
---	------

6. Homeowner Affidavit

I hereby certify the plumbing work described on this permit application shall be installed **by myself in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the State Plumbing Code and **shall not be enclosed, covered up or put into operation** until it has been **inspected** and **approved** by the plumbing inspector. I will cooperate with the plumbing inspector and assume the responsibility to arrange for necessary inspections.
